

Workers' Resource Hub

Online resources to help you connect your clients to legal help

Justice Connect's latest website, **Workers' Resource Hub**, is a searchable, intuitive library of resources designed for caseworkers and other social workers on the frontline of supporting people facing homelessness.

Help your clients identify & take action on legal areas including:

Housing & tenancy

Consumer debt

Fines & infringements

Criminal law & intervention orders

Workers' Resource Hub also contains referral information for Justice Connect and other legal and non-legal services.

Justice Connect is a legal service organisation and charity that provides free legal help. Justice Connect Homeless Law is Victoria's specialist free legal service for people experiencing or at risk of homelessness. For over 20 years, Homeless Law has prevented and ended homelessness by increasing access to integrated and digital legal support, and advocating for better laws and policies.
